MEMORANDUM FOR MILPO's

SUBJECT: Policy on Transfer of Army National Guard Officers Between States

1. Reference Army Regulation 135-91, Service Obligations, Methods of Fulfillment, Participation Requirements and Enforcement Procedures, dated 26 September 2000
2. This memorandum renews previously published policy for the transfer of Army National Guard officers between States. It is designed to expedite the transfer process and to improve accuracy of SIDPERS data related to this action. These procedures do not apply when officers transfer to the U.S. Army Reserve.
3. Currently, there is no regulatory guidance concerning the issue of conditional releases of officers in the ARNG. The lack of required documentation often creates delays with the reappointment process in the gaining State to include SIDPERS update. Frequently, the gaining organization must obtain additional information or documents from the losing State, especially when a branch change is necessary.
 - a. Restrictions. Conditional releases will not be granted if the officer:
 - (1) Does not meet retention standards, i.e., pending involuntary separation via retention board; exceeds ht/wt standards of AR 600-9, etc.
 - (2) Is pending resolution of unfavorable personnel action, unless pre-coordinated and acknowledged in writing by a gaining State that they are aware of the action and find the officer still acceptable.
 - (3) Is within 120 days of mandatory removal date (MRD).
 - b. Officer action. Request for conditional release from a unit/State for the purpose of seeking reappointment in another unit/State must be accomplished using a DA Form 4187 (Personnel Action). See Enclosure 1 for required information.
 - c. NGB Form 61 will not be used for interstate transfers.

d. Losing Unit/State actions.

(1) The losing unit will process the request for conditional release in coordination with the State MILPO, IAW procedures directed by the TAG.

(2) Prepare the officer's transfer packet and ensure that all documents required by this policy are available and current.

(3) When a conditional release is approved the officer will be notified by memorandum in the format shown at enclosure 2. The memorandum will include as a minimum; SIDPERs GPFR-1790 (PQR), a copy of the DA Form 2-1, NGB Form 23B, current DA Form 4497-R (Interim Medical Examination – Aviation) or DD Form 2808/2807-1, and Annual Medical Certificate. Include any document(s) deemed necessary to cause a smooth transition.

(4) Indicate on conditional release memorandum a losing State point of contact (POC) for the gaining State to use when necessary.

(5) Immediately upon notification that the officer was accessed in a new unit, forward MPRJ, HREC, and applicable transfer documents to gaining State MILPO.

(6) Upon receipt of notification that the officer has been re-appointed, forward copy of the transfer order (order format 465), to gaining State by either FAX or mail to expedite the "Change of State" Federal Recognition action.

(7) NGB Form 22 is not required unless the officer fails to execute a reappointment in a new State (see e below).

(8) Prepare Officer Efficiency Report (OER) IAW AR 623-105.

e. Failure to obtain assignment. If verification of reappointment in a gaining State is not received within 90 days from date of conditional release, an attempt to locate the officer to determine transfer status will be initiated. Officers who cannot be located and who have not been appointed in another State will be processed by the losing State IAW AR 135-91, NGR 635-100, NGR 600-101 and applicable State laws as appropriate. A NGB Form 22 will be prepared and forwarded to the officer at the last known address.
